

I respectfully urge the FCC to reject the NAB's petition 04-160. I feel that it should be my choice to receive the stations that I am willing to pay for. satellite radio is the best service available. I live in Eastern Ky and this service is not available by any other means. If I am willing to pay for it I should be allowed to do so..... the National Association of Broadcasters should not be allowed to dictate to me what I am allowed to receive..
